

## *Weddings*

*You will remember your Wedding Day and Wedding Party for many years. It will also be retained in the memory of your family and friends. Therefore it is worth ensuring that everything is special on that day: a rustling bridal gown, fragrant flowers, and the unique atmosphere of the place of the Wedding Ceremony and Wedding Party.*

*The **Wiejce Palace** provides you with the guarantee of uniqueness. It is a newly renovated building, situated in Wiejce, a village on the Warta River, surrounded by the Puszcza Notecka forests. The palace is located only 80 km from Poznań and Zielona Góra, 50 km from Gorzów Wielkopolski and about 90 km from the Polish-German border. The **palace rooms** are characterised by a very high standard. Each of them has retained its unique character through the use of diverse colouristic elements. The original ornamental components of the stylish interiors have been refurbished and completed to evoke most accurately the spirit of the past.*

*The decor of the hotel has been matched to the character of the Palace; at the same time it is modern and functional. The palace complex comprises also the **Bailiff's House** and the **Farm**, with rustic-style rooms and suites. This interior decor gives them a warm, almost idyllic character. In the main building there is also the: **Ballroom, Szmaragdowa Restaurant, Winter Garden and Bar**. The 15 hectare **Park** around the Palace comprises beautiful old trees and offers many attractions.*

*Please, acquaint yourself with the offer of the Wiejce Palace. We would like to point out that we will do our best to adjust our offer to your wishes, needs and budget. If you dream of a wedding party in the palace, we will be very pleased to discuss with you the details at an earlier arranged meeting.*

***You are warmly welcome!***
